Laundry System

CUSTOMER SUPPORT

FREE SITE SURVEY

Jeyes Professional will carry out a free, comprehensive site survey before making any recommendations. Only then can Jeyes Professional tailor each specific system to suit your individual needs.

FREE ON LOAN DOSING EQUIPMENT

On completion of the survey, the dosing equipment can be provided free on loan and installed free of charge by our engineers.

For all your hygiene questions and customer support please call **0800 515 909**.

LAUNDRY DOSING SYSTEM UNIT

- The dispensing unit ensures that the correct amount of each product is delivered for each wash.
- Diagnostic on-screen test mode allows engineers to pinpoint problems quickly.
- Technical innovations keep machine downtime to a minimum.
- Reduced power consumption increases environmental performance.

LAUNDRY CONTROL UNIT

- Features an illuminated display panel and easy to navigate touchpad for ease of use.
- Can be set for multiple programmes.
- Offers multilingual support.
- Allows you to choose the right programme for the right wash.
- Records and displays the number of washes.
- Password coded to protect unauthorised programming.
